### Section (v) - Technical details of installation

Water Storage Capacity (litres):
Retailer Name:
Equipment Model:
Quoted price:

### Section (vi)(a) – Applicant’s Declaration

I confirm that I will obtain planning permission (where required) for this installation
I confirm that I am the owner of the property or an emphyteuta or a tenant with all the necessary authority to apply for this grant
I confirm that I (or any member of the household) have not obtained any other grants or subsidies for a solar water heating system either from public/national funds or EU funds. I confirm that I shall not exercise the right to obtain or obtain any tax rebate, deduction including deductions of input tax credit from the output tax in terms of the Value Added Tax Act (Cap. 406), or other tax refund however so described, with regard to the eligible expenditure made in relation to the solar water heater.
I confirm that the property where the system is installed is residential and is used by myself for residential purposes only
I confirm that I am not applying on behalf of an undertaking (carrying out an economic activity) and am not a landlord of the property where the system is installed
I am aware that all the information submitted in this application may be cross checked with other government departments

I, the undersigned, certify that I have read and understood the requirements and conditions set for the grant available on the REWS website [www.rews.org.mt](http://www.rews.org.mt)<sup>1</sup>. The information provided in this form is accurate and true to the best of my knowledge. I understand that any attempt to misrepresent information in this application will invalidate this application and disqualify me from all claims to future rebates. I am aware that REWS auditors and other national and European authorities may perform on site inspections and that my name together with the investment aid granted may appear on public documents.
