#### 4.0 Declaration of the Applicant(s) requesting the transfer of licence/notification

##### Section A – Applicable to all applicants; to be signed by both parties:

- 1) I/We, the undersigned applicant, hereby confirm that the information contained in this application (including any documents submitted) is true and correct, and that it represents accurately the information being requested.
- 2) I/We undertake to inform the Regulator for Energy and Water Services of any changes in the information that may occur from time to time and contained in this application. I/We am/are aware that the REWS may carry out the necessary investigations in order to verify this information. I/We also undertake to give any other information that may, from time to time, be requested by the Regulator.
- 3) I/We understand that with the granting of this request of transfer of a license / notifying the transfer of ownership, I/we shall automatically be subjected to the conditions of the notification or the licenses issued by the Regulator. I/We also understand that the conditions listed in the notification or the license may be modified as prescribed by law. I/We undertake to abide by any approved standards, Codes of Practice, notification or licenses conditions or requirements of the Regulator with regard to the activity being notified or licensed.
- 4) I/We understand that the granting this request of transfer of a license / notifying the transfer of ownership, will not exonerate me from obtaining and, or maintaining any other authorisation, licence or permit as required under any law or legal obligation. I/We understand that the Regulator may suspend or revoke my license should it transpire that the information submitted in this application is not correct, and, or if I/we fail to abide with any approved standards, Codes of Practice, conditions or requirements of the Regulator.
- 5) I/We declare that I am/ we are either the owner of the site where the system is installed or that I am / we are not the owner of the site and have obtained consent from the owner(s) of the site;
- 6) I/we understand that in case of any breach or non-compliance of any legal and regulatory obligation and/or applicable legislation, the REWS reserves the right to void this application, and, or to revoke the licence.
- 7) Where operating aid is involved and in the case of a breach of the State Aid Rules(as applicable) under which the aid had been granted by the REWS, the REWS reserves the right to withdraw such aid. I/we understand that in such case I/we have to reimburse any premium received for the units sold.
- 8) I/we the undersigned new owner(s) or new licensee(s), have the consent from the previous owner or licensee of the referred generation station, who has the intent to transfer to me/us the benefits, obligations and responsibilities arising from the generator installed in the mentioned location and abide to the conditions set in the Electricity Regulations, regulation 57.
